There was one incident reported on West Fork Rd.

On 2-18-14, noon, a black, older model luxury sedan with tinted windows and chrome trim sped down the driveway of a resident who was home at the time. On sighting of the resident's parked car, the black sedan abruptly turned around and sped away

Heads Up: Police reported that a known drug dealer has been seen in Deadwood driving a black sedan or truck. Tim remains at large.

To report incidents, call Keith (3502), or Maryanne (3099).

Next DNW meeting will be March 13, 2014 at 7 p.m. at the Community Center.

To the person(s) who straightened the DNW sign leading to the cemetery, on Deadwood Creek Rd, MANY THANKS.
