

DEADWOOD NEIGHBORHOOD WATCH

January, 2016

One incident was reported Dec. 20, approximately 12:20 p.m. upper Deadwood. A full size, dull (dirty) red truck with a grill on the back window, and making very loud muffler noises, was observed going significantly over the speed limit. Whether this truck is the same one observed speeding up Deadwood Creek Rd. Nov. 8 is being investigated.

There will be a meeting Thursday, January 14, 6:30 p.m. at the Community Center. On the Agenda is to discuss future plans for Deadwood community security. Apparently the funding of Sheriff Deputies for Rural Lane County is lacking, and the current Deputy will be retiring shortly. The communities of Fern Ridge and Veneta have placed on the ballot the formation of a rural district to be covered by three or more new Deputies to be paid for by this new district's homeowners. We may want to look into such an option for ourselves and to include Triangle Lake and up to and including rural Florence. The number and cost for Sheriff's Deputies would need to be assessed. Those persons from our community interested to scout out such a plan please come.

Please report incident(s) to Maryanne (3099) or Marina (3497).
