

February 6, 2015

Neighborhood Watch Groups;

We are receiving reports of community members receiving calls from scammers impersonating members of the Sheriff's Office and telling community members that they have a warrant and must pay to have the warrant cleared. The scammers then ask you to purchase Green Dot money cards and give them the numbers off the cards. This is a scam!

The Sheriff's Office does not contact community members by phone to alert them of warrants, nor would any government agency request payment via non-track able methods such as Green Dot cards. This scam has multiple victims from the past few days. Let's get the word out to prevent future victims!

Thank you, and a safe weekend to all of you!

Carrie Carver  
Lane County Sheriff's Office
