Volunteers (bringing tools if possible) for the following jobs would be appreciated:

- * Mowing – weedeaters (some gas will be available)**
- * Trimming, pulling English Ivy – loppers, pruners, rakes, shovels, wheelbarrow or yard bags, etc.**
- * Cleaning headstones – buckets, gentle soap, soft natural brush – NO wire brushes, home soaps or chemicals, please!**

Following research, the DPC Board has approved use of <http://d2bio.com> due to its pH-neutral formula that will not harm historic stones. D2 is used on the White House, all Civil War National cemeteries, and many historic universities and other sites.

BYO: Camera, drinking water, gloves, etc. Join us for lunch around noon at the Deadwood Tavern.
