

Deadwood DITTO 2015 August

"As I was coming back from my bike ride near the mail box I was thinking about acceptance. Accepting this life that is in me and going with what is happening right now. I want to give love to the world as long as I can."

It's eleven years since Ernie died, July 22, 2004. These words I recently came across in one of his journals. They continue to inspire me.

WHO DECIDES? WE DECIDE!!!

The *Right to a Local Food System of Lane County Charter Amendment* (I know, that's a mouthful) has, finally, been cleared for signature gathering!

After almost 3 years of good hard work, we have satisfied the powers that be and are now collecting signatures.

Let's give ourselves, and the people of our county, the opportunity to vote to keep multi-national corporate agriculture out of Lane County's precious food system.

For a summary of the amendment: http://www.localfoodrights.com/charter_amendment_updates
Want to sign or even be a signature gatherer? Questions? Call Michelle or Richie 541-964-5621
