### Annual General Meeting

October 8<sup>th</sup>

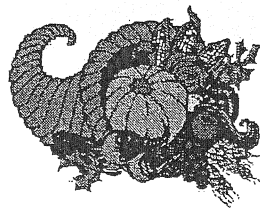

Pot Luck 5pm,  
Meeting at 6pm

The DCS Board of Directors invites you  
to meet us, chat to your neighbors,  
participate in the elections of 3 new  
board members and share your views.

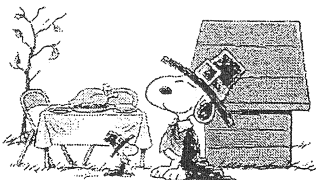

Gratitude Always...

Thank You All who continue to serve the  
community in a plethora of ways, serving  
on the DCS Board, the Neighborhood Watch  
committee, repairing and maintaining the  
Community Center, providing entertainment,  
providing dinners, creating the calendar,  
delivering the Ditto, and on and on...  
Deadwood would not be the great community  
it is without the efforts of all of you!

"I have been impressed with the urgency of doing.  
Knowing is not enough; we must apply. Being  
willing is not enough; we must do."

Leonardo da Vinci

10-10-15, Hwy 36W, private property. Stormy night, 2-3 a.m. resident's dog barked, next day resident found Chevy Trail Blazer 2006 had been vandalized overnight, with knobs turned, blower on, dome light on, Indian blanket, misc, and car manual stolen. The owner wishes to have the manual returned.

By co-incidence, a person of interest, young woman, shaved head, blond mohawk down center of head, in a 'mentally challenged' state, was seen around the 'Deadwood Mall' for perhaps a week. She was enthralled with certificates and documents and showed these around, apparently obtaining them from the cemetery. She has not been seen in the area since this reported incident.

10-19-15, Deadwood Creek Rd, Community Center, 3rd Saturday. A middle aged man, a veteran, 5'11", 175 lbs, clean cut, shaved head, light beard, going by the name Todd Alan Strom, having been seen and staying in various places the month of October, from HWY 36, Deadwood Mall, and Upper Deadwood, became agitated (apparently threatened persons with harm, prior to the 3rd Sat. event). A number of Deadwood members responded to his needs with supportive talking into morning hours. He left and has not been seen since. Vets in Deadwood, and DNW called the VA and other entities to find and help him but he has not returned to the Deadwood area.

10-25-15, Hwy 36 E, private property. Side garden gate ajar, Stihl weedeater (blade and string) stolen, ID#283100034, valued at \$400-500. Police report pending.

NOTE: If persons of interest are seen in the area, report to Sheriff non-emergency, 541-682-414, and call Deadwood Neighborhood Watch to alert community (3497 or 3099). If you sense danger call (9-1-1 immediately).

To report incidents, call Maryanne (3099) or Marina (3497) immediately. The next DEADWOOD NEIGHBORHOOD WATCH member meeting is Thursday, November 12, 6:30 p.m., Community Center. Inactive members and Community members are welcome.

Neighborhood Watch Still Needed Here

During the safety meeting on 10-22-15 Marina asked if DNW is still needed since we are forming an action team & crisis intervention team. I think Neighborhood Watch continues to be necessary and would coordinate with and support the new teams.

Having these 3 groups working together would improve our community safety. Thank you DNW for your service.

Support Local Food Rights is gathering signatures to put the Right to a Local Food System of Lane County Charter Amendment on the May 2016 ballot. Why do we need this? Because corporate industrial agricultural power-brokers should not be determining what farming should look like in our county. They don't value our precious food system like we do. Our local farmers are the experts in matters of farming and have a vested interest in the long-term health of our county's farming lands.

We Lane County residents have a right to decide what agricultural activities should take place here in this place we call home. We have the right to save and share seed, as farmers have been doing for generations. We have the right to say NO to corporate GMO agriculture that threatens to contaminate our farms, and undermine traditional farming practices. We have a right to protect ourselves from corporate harm. We have the right to reclaim our democracy and be the decision-makers and architects of our collective future.

When asked, please sign the petition to ensure the people's right to be heard through your vote in May. And vote YES! Community Rights Lane County and numerous county farms, local businesses, and food advocacy organizations endorse this effort. For a full listing of supporters and other info about this work: [SupportLocalFoodRights.org](http://SupportLocalFoodRights.org)

Who decides? We the People decide!

# UDIG

What grains grow best in Deadwood?  
Let's find out!

The Union of Deadwood Independent Gardeners is sponsoring a study of grains this coming season. If you'd like to participate, you'd need to plant 1500 sq. ft. in the grain of your choice: corn, oats, wheat, barley, or other. UDIG will provide you with the seed and some composed manure for this sized plot. You'd be expected to report on how you proceeded and what results you obtained. For more information or to sign up, please contact Billy at 3555.

## Disaster Preparedness Presentation

Sunday November 15th 6:30 at Community Center

This will be a presentation by Jim Langborg who is a member of West Lane Emergency Operations Group & he is also the Siuslaw Fire Chief. Also, Frank Nolty will do a presentation on the Citizens Emergency Response Team. Both are coming from Florence.

This should be very informative. Hope to see folks there.

Sponsored by Deadwood Preparedness Committee

Thank you so much to all of you who came out and helped on the **Deadwood Pioneer Cemetery Work Day** yesterday! My notes had these folks contributing – please let me know if I've missed anyone:

- Cemetery Board: Don Wilbur, Gerry Burnett, Ric Dreiling, Ed Riley
- Others (local): Johnnette Roane, Pat Rongey, Tami Dreiling, Tammy Shephard, Lela LeJoie, Maggie Oldershaw, Karl Logan, Megan Gerber
- Others from out of area: Sandy and Jim Abrahamson, Maria (Steinhauer) Keltner, Mark Iszler

What a great day and a good turnout – the grounds look terrific, and the fencing is almost done! (Just need to cut the posts to the right height, and seal the tops, then we need to add shady grass seed and straw... anyone care to donate?) I am attaching a few 'before' and 'during' photos, and will send some 'after' ones soon!

To those of you who would like to be involved but need a little longer notice, please accept our apologies that we put this work day together pretty quickly. We were having a hard time finding the right date, so we just decided to get this one done in a hurry. Next time we will give more notice – I promise!

We continue to work to identify **unmarked and poorly marked graves**, and were pleased to see that Maria has added a headstone marking a previously unmarked Steinhauer family member's grave. If you have any information about other unmarked or poorly marked graves, please tell us! Although we were turned down for a grant for headstones on this grant cycle, we will try again soon.

It's always great to see you, and we sure appreciate everyone's hard work! Thanks again,

Steve, aka John, needs our Help!!  
There is a campaign to get Steve out of prison and back home to Deadwood.

Please write a short statement about his contributions to the community and  
the kind of person you know him to be. Basically, the same type of letters we  
wrote initially. The letters should reference "John Forbis" and be mailed to:

Sharon Sweet  
09551 North Fork Road  
Florence, OR 97439

or emailed to risingstarz432@gmail.com

Sharon will forward them to the attorney who's putting together an appeal  
for his early release.

Any questions, call Sharon @ 541-999-1166.
