## *"Third Saturday" April 21 with The Broh Taylor Band*

On April 21, the Deadwood Creek Community Center's "Third Saturday" Live Music, Dinner, Dance Series will welcome The Broh Taylor Blues Band who return to Deadwood a year after their energetic, upbeat performance in April of 2011. The band was honored by the Rainy Day Blues Society in 2009 as winner of the Best New Blues Act, and Joanne Broh was celebrated as winner of best Female Blues Vocalist in 2009 and 2010. Cascade Blues Society chose them in 2011 as finalists in "Journey to Memphis."

The Broh-Taylor Blues Band is a rockin' 5 piece blues band that combines elements of rock, Texas and Chicago blues, as well as funk into their shows. The high energy band members include Joanne Broh -vocals, Terry Dean Taylor-guitar and vocals, Jim Badalich-bass and vocals, Dan.E.Miller-drums and vocals, and EdGunther-sax. Together they deliver the goods to every show they play and have left people dancing and wanting more. They have opened shows for Leon Russell, Ty Curtis, Karen Lovely, Studebaker John and the Hawks, The Strangetones, and Sonny Rhodes and have played on the Eugene Celebration Broadway Stage in 2009 and 2010, the Willamette Valley Blues and Brews stage with broadcast over the internet and radio by KRVM, and the Waterfront Blues Festival in Portland, OR.

Deadwood is proud to welcome Broh Taylor back for this "Third Saturday" Dinner Dance event, where all ages are welcome. There is a sliding scale donation at the door. Dinner starts at 6:30 pm--Music begins at 7:30 pm. 4.3 miles up Deadwood Creek Rd., off Hwy. 36.

Call 541-964-5031 for more info.

**Greetings Friends**

This letter is a "thank you" for all the volunteer efforts that go into making Deadwood the wonderful community it is, with the bounty of green and wildlife, and the cooperation and good energy that lives here in our citizenry. We are fortunate to have found our way to Deadwood. The continued awareness of our shared needs and the energy of cooperation and inclusiveness over the past 35- plus years has created our volunteer Fire Service, which strives to serve the upper Deadwood households not protected by the tax based Swisshome/Deadwood Fire Depts. and a Community Center where we continually enjoy a comfortable venue for celebrations, weddings, parties, dinners, dances, benefits, ping pong, art shows, meetings, etc. So many hours of volunteer work and energy allow these entities to continue to thrive.

In addition to "thank you" this is a reminder to us all today that we can (whenever possible) continue to make our monetary contributions, remembering to answer the call when the "fundraising" letters go out to you, twice yearly. But, it's never too late. If you have forgotten to send in your contribution, (or you didn't know about these fundraising efforts) please take this friendly reminder to send in your share to help pay the monthly bills, insurance, and maintenance/repair costs to continue our upkeep of the Fire Service equipment, and Community Center building. You can just send your check through our endangered postal service to Deadwood Creek Volunteer Fire Service, or Deadwood Creek Services, Deadwood, Or. 97430.

Excerpt from the SWC Newsletter

Deadwood Transfer Site (Dump) Summer Hours beginning April Fridays and Saturdays 8:00 AM to 6:00 PM

Hello Everyone. I have had a few computer problems and have fallen behind on a few posts. The message board is updated.

First, be sure to attend the Dinner, Dance, and Music tonight (3/17/12) at the Community Center.

Second, the Message Board has some Post Office updates from the ROP and our own Les B.

Third, be sure to visit the Classified section of the Trading Post for current information.

And Last, I am still looking for businesses who want to have a free listing in the business section. With the good weather just around the corner, residents will be working outside and might need some rotilling or other maintenance work. A listing in the business section will provide a great resource for both the business and Deadwood Residents.

Thanks,

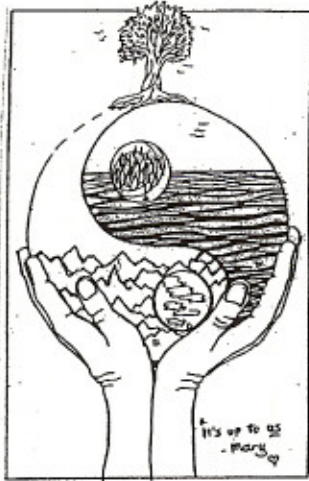

Karl Logan

Why were the early days of history called the dark ages?  
Because there were so many knights!

There are three kinds of people:  
Those who make things happen,  
those who watch things happen  
and those who say, "What happened?"

### AN OVERDUE ODE TO LILITH

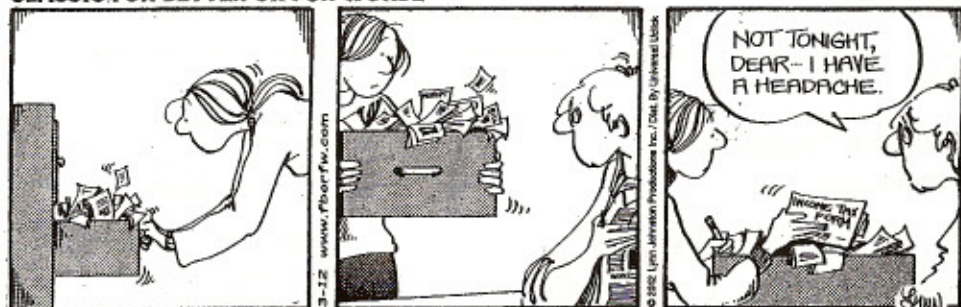

Both Jews and Christens overlook  
 The world's first whorehouse madam  
 Who long before Eve took him to bed  
 Plied her trade with Adam.

Lilith sold him sex for drachma  
 Or whatever coin of the realm  
 There was before there was a realm  
 For you or me or them.

Maybe he paid her with an olive grove  
 Or perhaps a mere bushel of peaches,  
 But you can bet your boots  
 Lilith got some loot as a prostitute.  
 Those women never give free samples.
