

*Saturday, June 16*, will be the last "Third Saturday" dinner and dance of this season until September.

*Skip Jones* brings his *Spirit of New Orleans* energy and music with vocals and keyboard accompanied by the ever talented friend and co musician *Byron Case* on guitar and base. Both Skip and Byron have been the core of an ongoing blues jam for over 10 years in Eugene area and are considered veteran R & B musicians, highly regarded in music circles. Joined by Mr. Wizard veteran Stan Beecraft on drums these musicians will put on a great show, as they did two years ago in June when they rocked the Center closing out our first "Third Saturday" series in 2010. Please join us for an evening of music and dinner. As always, our gourmet cooks will provide an amazing seasonal meal and desserts for sale starting at 6:30. Music to start at 7:30. All ages welcome to this family friendly event, sliding scale donation at the door. So, come to this beautiful setting at the Deadwood Creek Community Center, visit neighbors, meet new people, dance on our floating wood dance floor, and help us close out our successful series with these talented music makers.
